SCCDS Monthly Report was presented by Director Chris Mueller and Central Manager Chris Martin. SCCDS is currently still down 6 dispatchers. Efforts to hire and train to reach full staffing continue. Chris mentioned how he and Amanda are going to Phoenix in February for a Grant program. Also, the GSI position will be posted soon so if anyone knows someone with mapping background send them our way. Please see attachment.

Department inquiries: There was an issue with Waverly Fire Department, BLS & ALS intercepts and we went with the closest rig for a call out for a 911 call which is our policy. They had an agreement with Life Star to transport but we always go with the closest rig.
